IN THE UNITED STATES DISTRICT COURT FOR THE DISTRICT OF NEBRASKA

UNITED STATES OF AMERICA,)	Case No. 8:12CR334-2
Plaintiff,)	
vs.)	TENTATIVE FINDINGS
CARLOS NAVARRO,)	FINDINGS
Defendant.)	

I am in receipt of the revised presentence investigation report and addendum, and the defendant's motion for variance, in this case.

IT IS ORDERED that:

- (1) The undersigned will consult and follow or deviate from the Guidelines to the extent permitted and required by *United States v. Booker*, 543 U.S. 220(2005) and subsequent cases. In this regard, the undersigned gives notice that, unless otherwise ordered, he will (a) give the advisory Guidelines such weight as they deserve within the context of each individual case and will filter the Guidelines general advice through §3553(a)'s list of factors; (b) resolve all factual disputes relevant to sentencing by the greater weight of the evidence and without the aid of a jury; (c) impose upon the government the burden of proof on all Guideline-enhancements; (d) impose upon the defendant the burden of proof on all Guideline-mitigators; (e) depart from the advisory Guidelines, if appropriate, using pre-Booker departure theory; and (f) in cases where a departure using pre-Booker departure theory is not warranted, deviate or vary from the Guidelines when there is a principled reason for doing so. I no longer give the Guidelines "substantial weight."
- (2) The defendant's motion for variance (filing 57) is denied, for among other reasons, because a sentence under the Guidelines is the proper sentence even assuming the defendant's factual assertions are true.
- (3) Except to the extent (if at all) that I have sustained an objection or granted a motion or reserved an issue for later resolution in the preceding paragraph, the parties are herewith notified that my tentative findings are that the presentence report is correct in all

respects.

(4) If **any** party wishes to challenge these tentative findings, said party shall, as soon

as possible, but in any event at least five (5) business days before sentencing, file in the court

file and serve upon opposing counsel and the court a motion challenging these tentative findings, supported by (a) such evidentiary materials as are required (giving due regard to the

requirements of the local rules of practice respecting the submission of evidentiary materials),

(b) a brief as to the law and (c) if an evidentiary hearing is requested, a statement describing

why an evidentiary hearing is necessary and how long such a hearing would take.

(5) Absent submission of the information required by the preceding paragraph of this

order, my tentative findings may become final and the presentence report may be adopted and

relied upon by me without more.

(6) Unless otherwise ordered, any motion challenging these tentative findings shall

be resolved at sentencing.

July 2, 2013.

BY THE COURT:

Richard G. Kopf

Senior United States District Judge
